

Carter Ledyard Contributes to the Justice Served Campaign to Help Aid Hunger Relief

March 22, 2018 / less than a minute

Carter Ledyard participated in the 2018 Justice Served Campaign, which partners with the Food Bank For New York City's hunger-relief program, to provide more consistent meals to those in need. Carter Ledyard contributed in a variety of ways, including volunteering at the food bank, participating in office events including international food day and a bake sale, and through individual donations. In total, we raised \$8,750. The Food Bank For New York City can be explored in greater detail here: <https://www.foodbanknyc.org/events/justice-served/>.
